SUBMISSION **MAY 8TH**

The RPA Board is excited to invite you to participate in the Annual RPA Early Career Scientist Symposium 2026, which will take place on June 17th, 2026 at the Genomics Building Auditorium from 8AM-5PM.

We welcome participants from both STEM and Humanities disciplines to submit abstracts for oral and poster presentations and join us for a day of research exchange, networking, and professional development. Graduate students may also be considered depending on the number and quality of submissions. Research awards will be presented for the top three oral and top three poster presentations.

For more details on the symposium Information & abstract guidelines, click [here](#). Please submit your abstract and register using the form [here](#) or scan the QRcode above. Registration is free and we encourage all early career researchers to participate and share their work with the UCR research community.
